Leaflets

REF ID: A644-1887, dated May 29, 1953

1. [] feels he should point out to Headquarters that the Smoothers have always made a big point of the fact that all P/V material is approved by HQHQHQHQ prior to its use.

2. [] believes both HQHQHQ and the Smoothers would make quite a squawk if HQHQHQ's Propaganda Committee were circumvented in the printing of leaflets in Athens.

3. It is suggested that consideration be given to a continuation of the present policy under which HQHQHQ and the Propaganda Committee agree upon leaflet texts at the [] level with higher authority retaining the veto power it has had in the past.
